Re: *In re Valsartan, Losartan, and Irbesartan Products Liability  
Litigation*, MDL No. 19-2875 (RBK)

Dear Chief Judge Bumb:

Plaintiffs write in response to Defendant ZHP's request to alter their briefing schedule on their appeal from Special Master Order 98. Plaintiffs understood that ZHP's request simply asked that if the Court will hold argument, that this occur during the July 23, 2024 conference. Plaintiffs were not asked to consent to a corresponding alteration of ZHP's briefing schedule, and Plaintiffs do not agree to that belated request. ZHP's reply was due yesterday, and therefore no reply should be admitted at this point.
